STRATOS OFFSHORE SERVICES CO.
3rd Quarter 2013

The undersigned, Bruce A. Henoch, Vice President and General Counsel of Stratos Offshore Services Company ("Stratos"), hereby declares and certifies in accordance with the requirements of the Federal Communications Commission, that:

1. For the Third Quarter of 2013, Stratos reports that it did not carry or generate revenue from intrastate, interstate, or international prepaid calling card services as defined by the Commission.
2. No prepaid calling card revenues for the Third Quarter of 2013 are therefore subject to Universal Service Fund assessment for such period; and
3. Stratos has provided the required information (i.e., prepaid calling card percentages of interstate use factors, and call volumes from which these factors were calculated, based on not less than one day's representative sample) to those carriers from which Stratos purchases originating and terminating transport services for its prepaid calling card traffic.

To my knowledge and belief, the foregoing statements are true.
